

## CURRICULUM VITAE

**TOMAS JANEBA** (1972) is an Infrastructure Investment Specialist with 16-year experience in infrastructure project and corporate finance, investment valuation and financial modeling from countries in the CEE region, UK and Russia. Over the past 7 years he was responsible for overall infrastructure project bidding involving investment assessment, financial structuring, proposal submission and leadership of financial and legal teams.

Tomas Janeba has been appointed as a President of the **Czech Infrastructure Association** since December 2012. The Association unites interests of leading infrastructure stakeholders in the Czech Republic; major contractors, operators, banks and advisors, in order to address challenges, which constrain Czech infrastructure from driving economy growth. It promotes best-practice in infrastructure finance and supports public and private sector in an efficient delivery of public infrastructure in the Czech Republic.

He has seven years experience in infrastructure finance. He established regional office of **John Laing plc**, one of the leading British infrastructure investors, managers and public assets owners with over 70 projects in its investment portfolio in Europe and Canada. He was responsible for overall bidding, investment assessment, proposal submission and leadership of financial and legal teams.

He structured and led the winning bid for the **Prague Military Hospital DBFO** 25-year concession contract including negotiations with the Public Authority during the competitive dialogue and with banks during Financial Close. He also led bidding for **Pardubice Regional Hospital** project in 2008. In 2007 he was a member of the finance team of the winning consortium, which was awarded the **EUR 1 billion DBFO** contract for **80 km of M6 III motorway** in Hungary.

In 2004-2006, Tomas Janeba was involved, as a deputy director, in the establishment of the **PPP Centrum of the Czech Republic**, an agency of the Czech Ministry of Finance. He was leading an initiation of pilot PPP projects and was involved in preparation of the draft Concessions Act and the first guidelines.

Tomas Janeba has seven years experience as a financial adviser in the Corporate & Project Finance team at **PricewaterhouseCoopers**, where he specialised in project finance, valuations and financial modelling of infrastructure projects since 1997. He has a Master Degree from the University of Economics in Prague and passed all of ACCA exams.
